**“And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work.”**  
**2 Corinthians 9:8**

Dear Friend,

Greetings everyone! I pray things are well with you. Have you ever wondered how the verse above is possible? I know I have! Sometimes I look at the words of the Bible and think, “How can I possibly do that?” In many cases we cannot do it on our own. It takes a collaboration of like minded people to make things happen, and it is no different here at Right Side Up Ministries.

Here are some ways, through our combined efforts, your contributions are multiplying and reaching around the world. In two months you have helped send the Gospel to Nepal through *Unison Harvest International*. You have helped send Bibles to Belize. You have helped relief efforts in Japan through *Its Chance*. You have helped skaters hear the Good News through *Testify Skateboard Ministries*. You have sent the Gospel into public schools through *Face It! Ministries*. You have helped Jesus’ love spread into Costa Rica. You have helped a couple get a new roof in Broken Arrow, OK. You have helped a church in Haiti, which is in desperate need of finances and support. You have helped students get training in Bible School at *Rhema Bible Training Center*. You have helped the continued efforts of *Youth for Christ* in the Caribbean Islands. You have helped needy families in Tulsa area hear the Gospel and receive much needed food and clothing through *John 3:16 Mission*. You have helped spread Jesus’ love through Bible studies in Broken Arrow, OK. You have helped the bold message of healing and salvation be preached through *David Dixon Ministries*. You have helped build a new church building in Gulfport, MS for *Family Worship Center*. And that is only in the last two months, imagine what the impact will be over the next year!

Your seed sown has multiplied into many good works around the world. Your partnership with Right Side Up Ministries reaches to every corner of the globe. Next time you are wondering how it is possible to have “*An abundance for every good work*,” remember that when you give it is multiplied and sent out around the world.

The *Matthew 25 Project* is beginning to make an impact through two projects. You can read more about what is going on at [www.thematt25project.com](http://www.thematt25project.com).

Thank You and God Bless
